Projects

HobbyHive | *Node.js, Express.js, MongoDB, Socket.IO, Nodemailer, Google Calendar API, Jest, Supertest, Redis*

- 🔗 **Deployed Link** : <https://hobbyhive.onrender.com/>
- 📁 **Github Repo** : <https://github.com/ksaurabh252/HobbyHive>
- Developed community forums, resource-sharing features, and AI-powered matchmaking to enhance user engagement and skill exchange.
- Built real-time chat and notification systems with Socket.IO for seamless communication.
- Integrated Google Calendar API for event scheduling and automated email reminders using Nodemailer; ensured application reliability through Jest and Supertest testing.

MediTrack | *React, Redux, Tailwind CSS, Firebase, Google Gemini API, React Router, Node.js*

- 🔗 **Deployed Link** : <https://meditrack-medicine.netlify.app/>
- 📁 **Github Repo** : <https://github.com/ksaurabh252/MediTrack>
- Built a responsive medication management system with custom scheduling, dosage tracking, and interactive reminder notifications using React and Redux Toolkit.
- Developed prescription handling features including document uploads, renewal tracking, and real-time previews to streamline user workflows.
- Integrated an AI-powered assistant using Google Gemini API to provide context-aware support for user medication queries within the app.

MentorPay | *Radix UI, React, Tailwind CSS, React Router, Redux Toolkit*

- 🔗 **Deployed Link** : <https://mentorspay.netlify.app/>
- 📁 **Github Repo** : <https://github.com/ksaurabh252/MentorPay>
- Developed and maintained systems for automated payouts, tax deductions, and receipt generation using React and Redux Toolkit.
- Supported admin operations by managing session data, configuring tax settings, and building user-friendly interfaces for mentors and admins.
- Ensured financial compliance by maintaining audit logs, verifying payouts, and generating exportable financial records for regulatory use.

Skills

Technical Skills: React, Redux, Express.js, MongoDB, Node.js, JavaScript, RESTful APIs, Git

Soft Skills: Good Listener, Problem Solving, Time Management
